

ISA BEGINS ITS MODEL UN YEAR!

On October 14th and 15th of 2011, ISA participated in its first Model UN competition of the school year. The competition was held at George Mason High School with 22 of our students attending. This competition was not as large as they usually are with only 200 students participating. However, this gave the students more of an opportunity to speak since the committees were smaller than normal. It was a great way to start the new season of competition!!

Eight of our students received an award. They were:

Best Delegates: (First Place)—

- Marwane Boudriga and Omer Aslim, who represented Belgium in the North Atlantic Treaty Organization (NATO).

Outstanding Delegates: (Second Place)—

- Abdullah Ahmed and Abdulla Jastaniah, who represented Poland in the North Atlantic Treaty Organization (NATO).

Honorable Mentions (Third Place)—

- Musirah Khan and Farah Elherazy, who represented Japan on the Special Political and Decolonization Committee (SPECPOL).
- Yasmine Elhelali and Tasneem Sheikh, who represented India on the Commission on Crime Prevention and Criminal Justice.

Congratulations to all of our participants for a job well done!! We're off to a great start!!
